

Building Language – Where Do I Start?

**These words can be used in phrases or short sentence throughout a routine. They should be spoken and modeled on the communication system. **

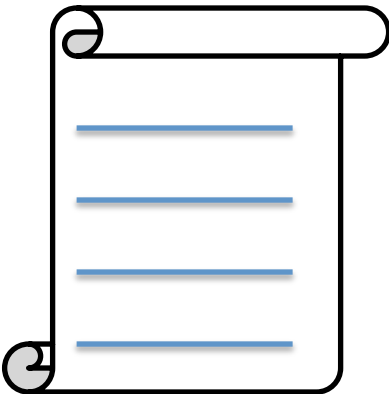

1. Pick a Routine

During _____ I will model these words and sentences

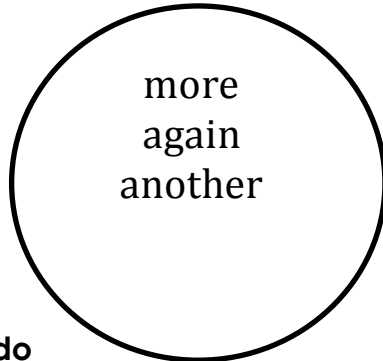

2. What does the person LOVE in this routine?

4. What words can you use to describe the item/activity?

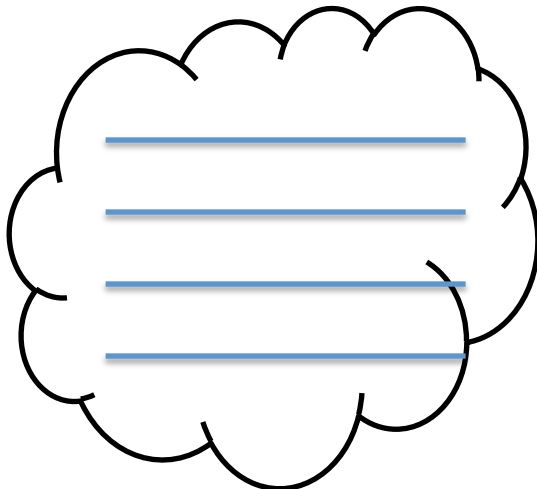

5. Words to express recurrence/continuation

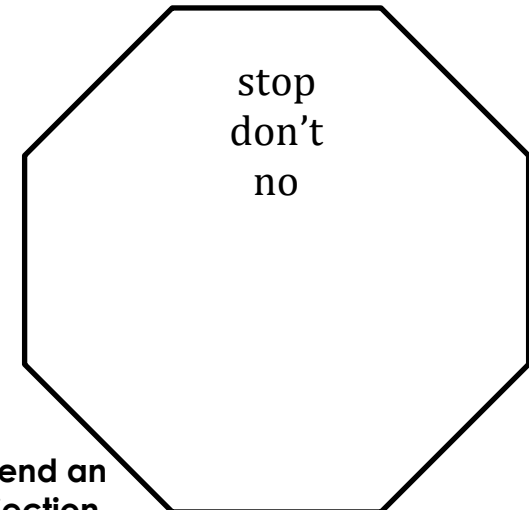

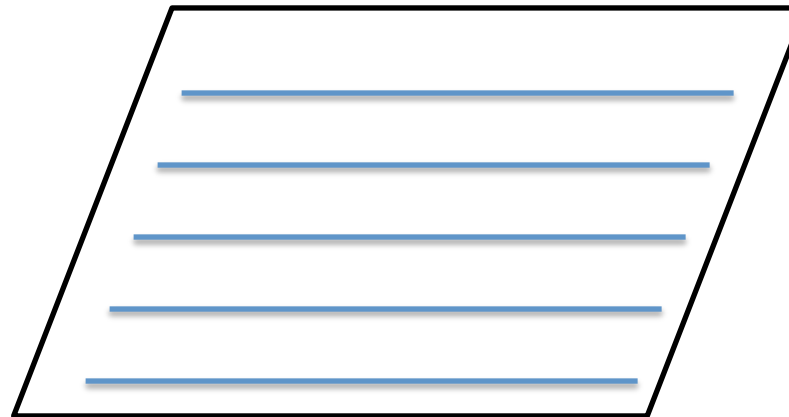

3. What core word(s) are most naturally associated with this LOVE? For example, what can you do with the item/activity? (see core word list for ideas)

7. What words/phrases do you use when you talk about this item/activity?

6. Specific nouns (people, places, things) related to the item/activity

9. Verbs/actions related to the item/activity

10. Words used to end an activity/express rejection
